

## CAMP LAWRENCE CHATTER

December 2009

Dear Campers, Staff, Parents, and Friends of Camp Lawrence:

As many of you know, work has begun on replacing our age old kitchen. Actual site work began in mid-September and has progressed nicely since. Even way down here in Texas, I have been kept up on its progress via tons of photos and narratives. I must say that by the beginning of camp next summer, we will have a kitchen to be envied by all. It will be spacious with up-to-date equipment, great lighting, and even a manager's office. I can't wait to see the new dishhouse. I worked in the former dishhouse many years ago, so I can only imagine how advanced the new one will be. Of course, to go along with our new kitchen, I will do my best to hire a kitchen staff to match. From all indications, last summer's head chef, Brent Kern, will be returning. As I have stated before, he is the best chef that we have had in my last eighteen years at camp.

I stated in my last Chatter that I would announce the 2010 First Year C.I.T. class, so here goes. They are: **Guido Areces, Sean Bradley, Danny Dignan, Connor Drooff, Andrew Gartley, Tyler Green, Kyle Hanson, Nicholas Harper, Emilien Henrotte, Merritt Losert, Matthew Wentzel and Henry Wu.**

I wish everyone a happy holiday season and a great New Year. If you haven't registered for camp yet, please call the Registration Office (978-975-1330) because I hope to see you back for another terrific, fun-filled summer.

All is well.

David C. Hetherly, Director

P.S. Save the date: We are having a phone-a-thon on February 6<sup>th</sup> in Lawrence, MA and hope you can join us to help raise money for camp.
