Message from the 2011 Cabin Counselors

This years 2011 Cabin Staff at Camp Otter is stocked with experienced veterans as well as energetic newcomers eager to jump into the camp environment. Together as a team, we are bringing back some of the old games that are always enjoyable as well as new activities that everyone is sure to love!

Providing entertainment is only part of the cabin staff's job; safety

is our number one priority. Hence, we have been busy obtaining our certifications in CPR and First Aid as well as training in other areas that will provide your children with a safe, fun and enjoyable camp experience.

It is the aim of the YMCA to ensure that we, as counselors, will be role models for your children instilling the core values of the YMCA:

respect, honesty, caring, and responsibility. We look forward to working with all of our campers and providing them with a summer of endless fun!

Message from the 2011 Program Area Directors

This summer is going to be packed with exciting, fun-filled games and activities brought to you by the program staff. This summers program team is loaded with veteran staff members who have the certifications and tools necessary to keep your children safe and active.

Come join us in **adventure** where campers will explore new heights, conquer fears and overcome obstacles. As a cabin they will learn how to communicate with others and work as a team through a variety of cooperative games.

Aim, shoot, fire! **Archery** is one of the unique areas of our camp, where campers learn how to safely and properly use a bow and arrow while shooting at a target.

Come get your craft on at our **Arts and Crafts** program area. Here our campers will be challenged everyday with new and exciting projects! The possibilities are endless here and maybe your child will be the next craftiest camper!

Be prepared to get wet as we take you to the world down under. At the beach our campers will learn how to **Swim** while having fun and playing productive games that will challenge and improve their skills. All lessons are taught and watched by our lifeguard, CPR and First Aid certified staff; your child's and our campers' safety comes first!

Ahoy matey! Jump aboard our ships in the **Boating** area! Here campers learn the techniques for canoeing and even kayaking (must be a minnow 2 to kayak). Learn to maneuver the boats as a team and splash on into fun activities!

Run, kick, shoot, **GOAL!** If you are a sports lover, then we have just the place for you! Did I say place? I meant places! Sports everyday is always a guarantee! Campers will either be at **Sports Court or Sports Field** where they will learn new talents and master old ones. A variety of action packed games will be played daily that will require cabins to work together and have fun!

With all these exciting program areas and fun activities, it is no wonder that camp otter will become your child's home away from home and favorite spot of the summer.
