Reach Out for Youth

Each year, the Merrimack Valley YMCA embarks on an annual appeal to raise funds to help provide financial assistance to youth and families in need, to provide constructive programs for families in the community, to help subsidize the indirect and sometimes the direct costs of operating youth programs, and to provide continual support to sustain the Y's expanding youth and family services. The Y's goal is to be accessible to everyone, regardless of their ability to pay, and to provide vital programming to youth and individuals who may be considered disadvantaged. To do this, the YMCA relies on the generous donation from our community through events such as this and other fundraisers. Please consider a donation in lieu of fees for this event.

Yes! I want to support the annual Reach Out for Youth financial assistance campaign.
Please accept my donation of \$_____ to The Annual Reach Out for Youth 2009 campaign.

Waiver

I agree, warrant and covenant as follows:

I know that swimming, biking and running are potentially hazardous activities which could cause injury or death. I should not enter and run unless I am medically able and properly trained. I agree to abide by any decision of the race official or YMCA staff relative to my ability to safely complete the event, including the right of any official or staff to deny or suspend my participation for any reason whatsoever. I assume all risk associated with participation in this event, including, but not limited to, falls, contact with other participants, the effect of the weather, including high heat and humidity, and facility traffic, all such risks being known and appreciated by me. I understand that swimming, biking and running is physically challenging and as such, the race management, with insurance consideration in mind, reserves the right to reject the application of anyone, who in its unilateral judgment, may not be perceived to be able to finish safely. Having read this waiver and knowing these facts and in consideration of your accepting my application, I, for myself and anyone entitled to act on my behalf, waive and release the race committee and any and all other individuals and organizations assisting at the event on race day, and all sponsors and their representatives and successors from all claims of liabilities of any kind arising out of my participation in this event, even though that ability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all of the foregoing to use any photographs, motion pictures, recordings, or any other recordings, or other record of the event for legitimate purposes. -- ALL FEES ARE NON-REFUNDABLE.
