

Membership *for All*

Merrimack Valley YMCA
Andover/North Andover
Lawrence • Methuen

The heart of the YMCA's mission is to reach out and involve people in our communities, all people. The YMCA is committed to helping all people grow in spirit, mind and body. The "all" in our mission is what makes us unique in meeting community needs.

Each year the YMCA provides membership to thousands of children, adults and families who aren't able to afford the full rates. We understand that for many working families in the Merrimack Valley, membership is just out of financial reach. The YMCA's **Membership for All** is an initiative that enables all individuals and families to become active members of the YMCA. *Membership for All* is possible thanks to the many generous donors who support the YMCA's *Reach Out for Youth and Families* Annual Campaign. **At the YMCA, everyone is welcome.**
